

Exhibit 12

Part 2 of 2

(b) Every effort shall be made to avoid direct conflicts between the television of road games of either the New York Giants or New York Jets and any home game of either club.

(c) Without the prior consent of the home team no road game of either the Oakland Raiders or the San Francisco 49ers respectively may be televised back to the home territory of the other club on any day when the other club is playing a game at home.

Championship Games

10.5 The sale of radio and television and film rights for the World and Conference Championship Games shall be under the sole jurisdiction of the Commissioner and be subject to the provisions of Article X.

In the World and Conference Championship Games:

(1) The participating clubs may broadcast by radio on a non-exclusive basis from a station located in its home territory; provided, (a) said club contributes to the gross receipts of the game (to be divided in the same manner as game receipts are distributed) a fair and equitable sum fixed by the Commissioner in his role and absolute discretion; and (b) provided the Commissioner approves all sponsors and broadcasters involved in the game.

(2) No television station may carry or broadcast the game if its signal is visible in the home territory (75 miles) of the home club in the city where the game is being played. The Commissioner's decision in this matter shall be final.

Broadcast Facilities

10.6 Each club when playing at home shall provide adequate space for use of the visiting club in telecasting and/or broadcasting each game.

Player Depiction and Club Promotion

10.7 The player grants to the club controlling his contract and to the League severally and jointly, the privilege and authority to use his name and/or picture for publicity and/or advertising purposes in newspapers, magazines, motion pictures, game programs and annual roster manuals, radio material, television telecast, and all other publicity and/or advertising media providing such publicity and/or advertising does not in itself constitute an endorsement by that individual player of a commercial product.

Judgment

10.8 All provisions of Article X are intended to conform to and are subject to the Final Judgment of the United States District Court

for the Eastern District of Pennsylvania entered December 28, 1953, and as thereafter modified, against the National Football League and certain of its member clubs; in the event of any conflict between the Constitution and By-Laws and said judgment, the provisions of said Final Judgment, as modified, shall prevail.

ARTICLE XI PLAYING RULES

Official Rules

11.1 The playing rules of the League shall be those set out in the National Football League Rules Book.

Amendment of Rules

11.2 Playing rules may be amended or changed at any Annual Meeting by the affirmative vote of not less than three-fourths or 20, whichever is greater, of the members of the League, provided the proposed amendment or change has been presented to the League in writing thirty (30) days prior to the preliminary Rules Committee Meeting; otherwise unanimous consent is required for any amendment to the Playing Rules.

Rules Committee

11.3 Each member club of the League shall have one representative only on the Rules Committee.

ARTICLE XII ELIGIBILITY OF PLAYERS

General Rules of Eligibility

12.1 (A) No person shall be eligible to play or be selected as a player unless (1) all college football eligibility of such player has expired, or (2) at least five (5) years shall have elapsed since the player first entered or attended a recognized junior college, college, or university, or (3) such player receives a diploma from a recognized college or university prior to September 1st of the next football season of the League. The expression "recognized junior college, college or university" shall be interpreted to mean any college listed in the Blue Book of College Athletics, published by McNitt Co., Inc., 2442 East 4th Street, Cleveland, Ohio) and/or the Education Directory—Higher Education—Federal Security Agency, Office of Education Part Three, Washington, D.C.

The fact that a player has college eligibility remaining in another sport other than football shall not affect his eligibility under this section provided the player meets all other qualifications here-

under. Any player with college football eligibility remaining in accordance with the foregoing provisions hereof shall not be eligible to be selected unless such player gives written notice to the Commissioner of his intention on or before January 15th in that year stating his intention to graduate before the fall semester. Any player who fails to give such notice to graduate and then does graduate prior to the fall semester, cannot be signed to any contract; such players shall be selected in a separate selection meeting at a time and place fixed by the Commissioner, the order of selection to be determined either by lot or some other method prescribed by the Commissioner. The Commissioner shall have the right to change the date of January 15th above referred to, if, in his opinion, such change is necessary to properly conduct the selection meeting.

Despite the foregoing, if four college football seasons shall have elapsed since the player first entered or attended college and, if such player did not at any time during such period, participate in college football, such player shall be eligible for selection.

(B) No player may be signed to a contract or any other document (including a letter of intent), directly or indirectly, until completion of all football games, including post season bowl games in which the team of the school or college of such player is to participate and in which the player is to participate; such provision shall also apply to college football players competing in football in any season ending after that date when the original class of such player shall have been graduated. If a club violates this section, it shall be subject to punishment by the Commissioner; such punishment shall provide for the loss of selection choices of the offending club in the next or in succeeding Selection Meetings up to and including the entire Selection List. All negotiating rights to the player or players so involved shall be awarded to the club lowest in the League standings, excluding the offending club, at the time of the last Selection Meeting.

(C) A diploma of graduation issued by a recognized college or university to a student under an accelerated course or program shall be acceptable for eligibility purposes despite the fact that the student actually attended such institution for a period of less than four (4) years.

(D) No free agent with college athletic eligibility remaining, who registers at a college for the fall term or semester may be signed to a contract by a club in the League until the close of the next succeeding Selection Meeting of the League at which meeting he would be eligible for selection.

(E) No person who plays college football after the opening date of the training season in any year may play football in the League during the balance of the same calendar year.

(F) No person eligible for the Selection Meeting in any calendar year may be signed to a contract with a club in the League until the Selection Meeting in that year.

(G) A player, either under contract to or on the Reserve or Selection List of a League club, shall be a member of the team of that club until the Commissioner receives notice from such club that other League clubs are free to negotiate or contract with said player. Upon receipt of any such notice, the Commissioner shall promptly notify each other League club thereof. Until the notice is given by the Commissioner, no other club may sign a contract nor negotiate with such player unless prior written permission thereof has been given by the club owning rights to such player.

(H) Any player, whose contract with a League club has expired, shall thereupon become a free agent and shall no longer be considered a member of the team of that club following the expiration date of such contract. Whenever a player, becoming a free agent in such manner, thereafter signed a contract with a different club in the League, then, unless mutually satisfactory arrangements have been concluded between the two League clubs, the Commissioner may name and then award to the former club one or more players, from the Active, Reserve, or Selection List (including future selection choices) of the acquiring club as the Commissioner in his sole discretion deems fair and equitable; any such decision by the Commissioner shall be final and conclusive.

Rules and Regulations

12.2 (A) A club, at its option, may adopt individual club rules and regulations not inconsistent with or contrary to the Constitution and By-Laws of the League and/or the Rules and Regulations of the League. The club shall give the Player reasonable notice of all rules and regulations adopted by the club. Any club adopting rules and regulations may suspend and/or fine a player for violation thereof.

(B) The League may adopt League rules and regulations, and any rules and regulations so adopted must be printed on the reverse side of the standard form of player contract used by the League.

Restriction on Play by Other Employees

12.3 (A) No person employed by a club as a coach, trainer or in any capacity other than as a player, may play for that club in that same year unless such person is listed and counted as an Active Player at the time of the first and in each succeeding player limit reduction.

(B) Whenever a player under contract or option to a member club in the League fails to report to that club prior to its first League game, then such player, without the prior consent of the Commissioner, may not play with any club in the League during that same season if said player played in any other League, or with any other team other than in or for the League during that same calendar year, unless such other league or other club in which or for whom such

player played is designated by the Commissioner of the League as a minor League; the decision of the Commissioner shall be final.

(C) Whenever a player has played or coached football in Canada during any season either while as a free agent or as a member of the Reserve List of but not under contract to a member club in the League, then such player may not play for any club in the League during that same calendar year, unless such player has first signed a contract and reports to such member club prior to the first League game of that club, and unless his play or participation in Canada occurred prior to the first League game of that member club; in any event, any player who shall have played in Canada cannot play or practice with a member club in the League unless (1) such player signs a contract with a member club of the League and such contract is not disapproved by the Commissioner and (2) such player proved to the satisfaction of the Commissioner of the League that he is eligible to play in the League at a hearing conducted thereon by the Commissioner, whose decision would be final and unappealable.

(D) Any player who had played or participated in football in Canada while under contract, option or as a member of the Reserve List of any club in the League, and who did not report or was not listed as an Active player of the Club at the time of the first League game of such club, may not play with any club in the League during that same season, regardless of the circumstances thereof.

(E) No player under contract to a club in the League shall be permitted to participate in any football game for or against any team, group or organization outside the League, except in games officially approved and sanctioned by the League.

(F) If a player reports to the club at its training camp and is, in the opinion of the club physician, unable physically to perform his services as a player, then the club shall not permit such player to practice with the club until October 15th of that year, and additionally, shall not be permitted to activate such player to play any game for such club until November 1st of such year unless the club shall place such player on its Active List and count such player as an Active player from the first cutdown date fixed under the player limit. If a player commences practice on or after October 15th, then after two weeks shall have elapsed, the club must do one of the following: place such player on the Reserve, Future or Active List, waive such player or trade such player if the trading period shall not have expired.

ARTICLE XIII SCHEDULE

Preparation

13.1 The Commissioner shall draft a schedule and forward the same to the member clubs as soon as possible after each Annual

Meeting; such schedule shall constitute the official schedule for the League games of each member club of the League and shall not require any consent nor approval by the member clubs.

13.2 The following conditions shall govern and apply in the drafting of the schedule each year, namely,

(a) Whenever reference is made to a Green Bay home game, it is understood that such home game may be scheduled at either Green Bay or Milwaukee subject to the approval of the Commissioner.

(b) Without the consent of the affected clubs, neither the New York Giants, New York Jets, Oakland Raiders, nor the San Francisco 49ers shall be required to play any regular season home games on days other than Sundays, nor will any of such clubs be required to play more regular season games on the road than at home.

(c) The San Francisco 49ers and Oakland Raiders will not be required to play any regular season game at home on the same day without the consent of both clubs.

(d) The San Francisco 49ers and Oakland Raiders will not be required to play the same opponent at home on successive weekends without the consent of both clubs.

(e) Commencing in 1970 there will be established a regular pattern of games between the two conferences; clubs shall be rotated annually with the original rotation to be established by the Commissioner.

(f) Commencing in 1970 a club in a four-team division in each conference shall play home and home with each club in its own division and five (5) games with clubs in the other divisions of its conference, and three (3) games each year with clubs of the other conference; despite the foregoing, the Denver club, for a period of five (5) years commencing in 1970, will play four (4) games with clubs in the other conference. If the Denver club should move from a four-team division to a five-team division within such five-year period, it shall thereafter play three (3) games with clubs of the other conference each year.

(g) Clubs in a five-team division shall play home and home with each club in its own division each year, and three (3) games each year with teams in the other divisions of its conference and three (3) games each year with teams of the other conference.

(h) In establishing the scheduling formula for the intra-conference rotation among clubs commencing in 1970, the following method shall be used:

(1) A separate alphabetical letter shall be assigned to each club in each division by a method determined by the Commissioner.

(2) Having made the designations specified in ¶1 above, each year clubs in each four-team division shall play three (3) other

clubs in the other four-team division in its conference, and shall play two (2) games with two (2) other clubs in the five-team division in its conference.

Clubs in the five-team division of each conference shall play two (2) games with two (2) clubs in one of the four-team divisions in its conference, and one game with one club in the other four-team division; the following year such arrangement shall be reversed and then alternated thereafter.

Nothing herein contained shall affect the special provisions involving the Denver club set out in Section 13.2 (f) above.

(i) The scheduling formula for inter-conference games each year shall be in accordance with the following format:

(1) Each of the 26 clubs in the League shall be assigned an alphabetical letter by a method to be pre-determined by the Commissioner. Following such alphabetical letter assignment, the 13 clubs in each conference shall be listed alphabetically in separate parallel columns; then, in the year 1970, each of the 13 clubs in one conference shall play the clubs in the other conference in this manner: the three (3) clubs in the other conference shall consist of the club listed directly opposite each club, directly above it and directly below it in the parallel column of the opposing conference.

(2) In the next year, the list of clubs in the column in one conference will be rotated by removing the three (3) clubs originally listed at the top of the column and placing such three (3) clubs at the bottom of such conference column. The remaining ten (10) clubs on such conference column will be moved up three positions in the column; then the same method used in ¶1 above for determining the three (3) clubs to be played by each club of the other conference listed in the opposite column that year will be applied.

(3) Such system will be repeated annually with the same conference column being rotated each year by the method prescribed in ¶2 above; such rotation so determined shall be continued indefinitely and repeated continuously.

Schedule Adjustments

13.3 (A) In the event a member club ceases operating and a new franchise is then issued by the League to a new member club to replace such former member, the new member shall be obligated to perform under the same schedule in effect at the time the former club ceases operations, whether or not the franchise issued to the new member is to be operated in the same city as the former franchise holder.

(B) In the event a member club shall cease operations and the League does not replace such franchise by issuing a new franchise or by the transfer of the former franchise, the Commissioner is em-

powered to make whatever adjustments in the schedule as he in his sole discretion decides are necessary, and all member clubs shall be bound thereby.

Change in Site

13.4 When a game is scheduled in a stadium used for baseball, the Commissioner shall have the right to change the site of the game, whenever he concludes such action is necessary by reason of the probable participation of the baseball club in the World's Series; in such event, the visiting club will be reimbursed by the League for any extra travel expense incurred because of such change, and the home club will be compensated by the League for any loss of revenue suffered by it as a result of such change in the site of the game. The Commissioner's decision shall be final and binding upon both of the affected clubs in respect to the need for and amount of any such compensation or reimbursement.

ARTICLE XIV SELECTION MEETING

14.1 A Selection Meeting of the League shall be held on the second Tuesday following the playing of the last post-season game; there shall be only one Selection Meeting each year. The Commissioner shall preside at the Selection Meeting and is empowered to settle any dispute or controversy involving or occurring in the Selection Meeting not otherwise covered by provisions of the Constitution and By-Laws of the League.

14.2 The only players eligible to be selected in any Selection Meeting shall be those players who fulfill the eligibility standards prescribed in Article XII, S12.1 of the Constitution and By-Laws of the League.

14.3 (A) At each Selection Meeting each club participating therein, shall select players of its own choice; selection shall be made by the clubs in each round in the reverse order of their standing.

(B) Reference in this Article to "standing" shall mean the standing of the clubs in the League in regular season games at the time of the Selection Meeting. In calculating the percentage, tied games shall not be considered as having been played. To determine the percentage, the total number of winning games shall be divided by the total number of games played in the season; provided, however, that the winner of the World Championship Game shall select last, and the loser of such game shall select next to last in all rounds regardless of the record of such participating clubs in the regular season.

(C) One player shall be selected on each round by each club participating in that round.

(D) There shall be seventeen (17) selection rounds at each meeting.

Selecting Ineligible Player

14.4 If any club selects an ineligible player, such club shall lose the right to that player and to the selection choice for that year.

Reserve List—Selectees

14.5 The selecting club shall have the exclusive right to negotiate for the services of each player selected by it in the Selection Meeting. Selected players shall be placed on the Reserve List of that club.

Selectee Returning To College

14.6 Any player eligible for selection at the Selection Meeting who is not selected, shall be eligible to sign with any club in the League; provided, however, that if any eligible selectee not chosen possesses additional college eligibility and thereafter attends college in the fall semester following the Selection Meeting, such player may not be signed by any club until after the close of the next succeeding Selection Meeting at which time he is eligible for selection.

League Policy On Playing With Another Club

14.7 The League reaffirms the resolution passed unanimously in May 1935, and which has been in effect in the operations of the League since that time by adding the following action:

If for any valid reason it would be impossible for a player to play in the city by which he has been selected, or the player can show reasonable cause why he should be permitted to play in a city other than that designated for him, then through such arrangements as can be made by sale or trade with another club, he shall be permitted to play in the city he prefers if the Commissioner of the League approves his reasons as valid.

ARTICLE XV

PLAYER CONTRACTS

Standard Player Contract

15.1 All contracts between clubs and players shall be executed in triplicate and be in the form adopted by the member clubs of the League; such contract shall be known as the "Standard Players Contract". Subject to the provisions of Section 9.1(C)(8) hereof, a club may delete portions of or otherwise amend the Standard Players Contract subject to the right of the Commissioner to disapprove the same, as provided by Section 15.4 hereof.

Amendment of Standard Player Contract

15.2 (A) The form of Standard Players Contract adopted by the League may be amended at any time by the affirmative vote or written consent of not less than three-fourths or 20, whichever is greater, of the member clubs of the League; provided, however, that in the event of an amendment to the Standard Player Contract, or should a new Standard Player Contract be adopted by the League, such action shall in no manner affect, change, modify or terminate any of the terms or provisions of any unexpired Standard Player Contract then in effect between a player and a club in the League.

(B) All valid unexpired player contracts, including options for extensions thereof, signed in the NFL or AFL prior to Feb. 1, 1970, and in effect on that date, shall remain in full force and effect in accordance with the terms thereof, until the terms of such contracts shall expire, despite the fact that the provisions thereof may differ from the Uniform Players Contract adopted by this League for use in their 1970 or in succeeding seasons.

Filing

15.3 An executed copy of each player contract must be filed with the Commissioner within ten (10) days after the execution thereof. The Commissioner's office shall stamp the time of receipt upon all contracts immediately upon the filing with the Commissioner. All other documents required to be filed with the Commissioner shall likewise be stamped immediately upon receipt thereof. Contracts in effect at the date of the adoption of the Constitution and By-Laws shall not be affected by the foregoing provision if such contracts had been previously executed and filed in accordance with the Constitution and By-Laws of the league at the time of execution and filing.

Disapproval

15.4 The Commissioner shall have the power to disapprove any contract between a player and a club executed in violation of or contrary to the Constitution and By-Laws of the League, or if either contracting party is or has been guilty of conduct detrimental to the League or to professional football. Any such disapproval of a player contract must be exercised by the Commissioner within ten (10) days after such contract is filed with the Commissioner.

Promulgation

15.5 The Commissioner shall notify all clubs from time to time of the execution of player contracts.

Prerequisite To Play and Practice

15.6 No club shall permit a player in any game with its team unless:

(a) A Standard Player Contract has been executed between the player and a club or the Player Contract has been properly assigned to the club, and

(b) Such contract or assignment is on file in the League office or the League office has been notified by telegram of the execution of a contract or assignment.

Minimum Salary and Training Expenses

15.7 The minimum first-year income for a selected player shall be \$12,000.

15.8 In addition to the salary stipulated in §3 of his contract, each player shall, during the training season, be paid an allowance for expenses to be determined by the club.

ARTICLE XVI

ASSIGNMENT OF PLAYER CONTRACTS

Method of Assignment

16.1 A club may assign a player contract to another club by:

(a) Executing in triplicate the form of assignment prescribed by the Commissioner:

(b) Delivering the assignment to the Commissioner, and

(c) Notifying the player of the assignment of his contract.

Notice to Player

16.2 Written notice of assignment of his contract shall be delivered to the player in the form prescribed by the Commissioner, and a copy of such notice shall be filed with the Commissioner. Immediately following any assignment the player shall report to the assignee club as promptly as possible and shall perform services with the assignee club as prescribed in said contract.

Salary Liability

16.3 The assignor club shall be liable for such proportion of the player's salary for the season as the number of the applicable League games of the assignor club's regular season elapsed up to and including the date of assignment bears to the total number of games in the assignor club's regular season; provided, however, that whenever such assignment involves a player claimed as a result of a waiver, then the allocation of salary shall be subject to the provisions of §18.7 hereof. The assignee club shall be liable for the balance of the player's

salary subject also to the provisions of S18.7 in respect to players acquired through waiver. For the purposes of this section, the date of assignment shall be deemed to be the date on which notice of assignment is delivered to the Commissioner as prescribed in S16.2 hereof, or the date when the player was notified orally of such assignment by an authorized member of the assignor club, whichever occurs first. In the event of a dispute as to whether or not oral notice of the assignment has been given by the assignor club, the burden of proving shall rest with the assignor club.

Waivers

16.4 (A) If waivers are required for assignment of a player's contract, no assignment shall be effected and no notice of assignment shall be delivered to the player unless and until the club has been advised by the Commissioner that waivers have been granted by all clubs entitled to claim the player under the waiver rules.

(B) Whenever a club has been awarded a player through waivers, such club acquires all rights to the player owned or possessed by the waiving club, including any rights to the player's services for a succeeding season or seasons and, subject to the provisions of S18.7 hereof, the claiming club likewise assumes all obligations under such contract or contracts.

Promulgation

16.5 All assignments shall be promulgated by the Commissioner through bulletins sent to each club.

Trading Deadline

16.6 No club shall assign a player contract after 4:00 P.M., New York time, of the day following the time when all clubs in the League shall have played their sixth League game and for the balance of that League season, unless waivers shall have first been obtained from all of the clubs in the League. The restrictions on trading under this section shall apply to players on the Active List, the Move List, the Reserve List, and players who have been waived injured, but shall not be applicable to other players on the Future List.

Conditional Trades

16.7 No trade may be made between member clubs after the date of the first League game in any season wherein the player traded may revert or be traded back to the original club after the commencement of that regular season.

Trading Back

16.8 Whenever a player is sold or traded to another club in the League, such player may not be sold or traded back to the original selling or trading club unless such player has either:

(a) Been on the Active or Reserve List of the club to which he was traded or sold for not less than two seasons since the trade or sale, or

(b) Been placed on waiver by the club to which he was sold or traded and was thereafter claimed on waiver by the original club, or

(c) Become a free agent after the sale or trade and prior to reacquisition by the club originally selling or trading such player, or

(d) Been on the Active List of another club in addition to the club obtaining such player under the first sale or trade, and then was reacquired by waiver, sale or trade.

Approval by the Commissioner

16.9 (A) No sale or trade by a club shall be binding unless approved by the Commissioner. Immediately following such approval, the Commissioner shall notify all clubs of such trade or sale.

(B) All sale or trade agreements between clubs must be in writing and filed with the Commissioner within fifteen (15) days following completion of such sale or trade. The league office shall stamp the time of receipt on any sale or trade agreement immediately upon the filing thereof.

Inter-Conference Trading

16.10 There shall be no inter-conference trading of players until the day following the final post-season game, and beginning on that day and until July 31, there shall be unrestricted trading of players between conferences which have been established by the league.

Trading from Move or Future List

16.11 When a player on the Move or Future List of a club is traded after 4:00 P.M., New York time, on the Thursday prior to the opening of the regular season, or at any time thereafter, such player must immediately be listed on the Active List of the club to which he is traded.

ARTICLE XVII PLAYER LIMITS AND ELIGIBILITY

Player Limits

17.1 (A) Subject to the provisions of S17.3 of this article, beginning August 5th of each year and continuing until the completion of the football season, no club shall have under contract more than sixty (60) players and no player may play with any team unless an executed contract with that team is on file in the office of the Commissioner, pursuant to the provisions of S15.6 hereof. This number shall include all veteran players upon whom options have been exercised for the applicable year, except a veteran player discharged from the military service subsequent to June 1st in the applicable year.

17.1 (B) On or before 2 P.M. New York time, on the Tuesday prior to the first League game, the number of Active Players shall be reduced to thirty-six (36) or less, except that for 1971 only, the following rules in respect to player limit shall govern:

On or before the following dates at the hour of 4 P.M., New York time, sixty (60) players shall be reduced to:

Forty-nine (49) or less Active Players on the third Monday prior to the first League game.

Forty-four (44) or less Active Players on the second Monday prior to the first League game.

Forty (40) or less Active Players on the Monday prior to the first League game.

Despite the foregoing, the following additional restrictions shall apply:

1. Whenever a player or players is or are waived in order to meet the reduction in the player limit from 44 to 40, or less players, none of the players waived in order to reduce the player limit from 44 to 40 or less can be recalled, provided, however, that once the club meets the required reduction to the 40-man player limit, and provided the time for filing claims on the players waived by such club shall have expired, then the club can recall waivers on any player for the balance of that season.

2. Whenever any player is waived injured following the date when each club is required to reduce its Active Player limit to 49 players, then for the balance of that season no such waiver request can be recalled and no claim on any such player waived injured can be withdrawn.

3. Any player who was an All-Star participant in the Chicago Tribune All-Star Game of that year, may be carried as an Active Player by the club without being counted until the player limit of 44 becomes applicable, despite the fact that such player competes in a pre-season game for the club.

4. No claim on a player may be withdrawn by the claiming club whenever it involves a waiver that occurs after the reduction in the player limit to 49 Active Players.

Active List

17.2 The Active List, for the purposes of this Article, shall consist of all players eligible to play in any pre-season, regular league, play-off, championship or post-season game then under contract to the club within the applicable player limit as set out in the preceding section.

Players Under Contract

17.3 After the final reduction in the player limit to forty (40) Active Players and for the balance of that season, no club shall have more than forty-seven (47) players under contract, including players listed on the Future List and Move List, unless the player or players in excess of 47 is or are placed on the Reserve List subject to all of the restrictions applicable to the Reserve List, or unless otherwise covered by the provisions of Section 17.11 (b) hereof.

Move List

17.4 (A) Move List, for the purposes of this Article, shall consist of players who have been on the Active List of the club in that season and who have been transferred from the Active List to the Move List of the club at any time providing the club gives immediate notice to the Commissioner of such action. Whenever such notice is given, the player so named shall be immediately removed from the Active List of the club and placed on the Move List; any player placed on the Move List must remain on such list for a period of 16 days, but in any event, for not less than two regular season games of such club; no player may remain on the Move List for a longer period than seven regular season games of such club. A club is not required to request waivers on any player in order to place the player on the Move List. The Commissioner shall notify all clubs of each listing of a player on the Move List of any club.

Following a period of 16 days, but in no event before two regular season games of the affected club shall be completed, the club placing the player on the Move List may transfer the player back to its Active List; however, if, during that period the club fails to exercise one of the alternatives hereinafter listed, the player may remain on the Move List for a maximum of seven regular season games of such club; thereafter, on or before 4:00 P.M., New York time, on the Friday following the seventh regular season game of such club, the club must exercise one of the following alternatives:

(1) Restore the player to its Active List;

(2) Place such player on waiver, which waiver request may be recalled; if the waiver request is recalled, then the club must exercise one of the other four alternatives in this Section 17.4(A);

If a player is waived on the Friday following seven (7) regular season games for which he has been on the Move List, player may not be recalled.

(3) Place the player on its Reserve List;

(4) Again list the player on its Move List, or

(5) Waive another player from its Active List with no right of recall.

Despite the foregoing, a club shall be permitted to make only a maximum of twelve moves to its Move List in any one season; a "move" shall mean every transfer of a player from the Active List to the Move List. If the move involves a player who had previously appeared on the Move List of the Club in that season, such new inclusion of the player shall count as one of the twelve (12) permissible moves.

(B) Anything in this Constitution and By-Laws to the contrary notwithstanding, following the completion of its regular season, a club shall be entitled to make four (4) moves concerning its Active List, from its Future List or Move List but not from its Reserve List, for the Divisional Playoffs, Conference Championship Games or the World Championship Game, providing the players named are then under contract to that club and provided that club remains within the applicable player limit. No club may add such additional players to its Active List for participation in post-season games who are either under contract to or on the Future or Move List of any other club in the League. During the entire post-season period, a player placed on the Move List need not remain on the list for more than one game.

(C) Any player released from military service after October 15th and under contract to the club for such season may be placed on the Future List of that club and may be named to the Active List of the club and participate in any Divisional Playoff game, Conference Championship Game or World Championship Game in accordance with the provisions of the preceding 17.4 (B).

Future List

17.5 (A) The Future List, for the purpose of this Article, shall consist of all players under contract to a club, but who are not on the Active List, the Move List, or the Reserve List of that club.

Teams must make all changes in their Future List no later than Saturday at 4:00 P.M., New York time, and only players on the Future List as of Saturday at 4:00 P.M., New York time, can be activated for a Sunday game subject to the provisions of Section 17.11 (b) hereof.

Any change of player personnel which occurs on Sunday will be submitted by the club making the change to the Game Referee at least 60 minutes before kickoff, and the Referee in turn will forward the information to the League office by 12:00 Noon, New York time, on Monday.

(B) No player may practice with a club unless such player is signed to a contract with that club for the current or succeeding season or seasons. All contracts including contracts of players on the Future List must be filed with the Commissioner in accordance with the provisions of Section 15.3 hereof.

(C) Following shall apply for 1971 and 1972 only: Subject to the provisions of Article XVIII, no player who shall have been under contract to any member club of this League or a player who attended any workouts for a club may play football for the same club in this League until two (2) seasons, including the season in which he participates, shall have elapsed from the date said player participated for a League club; unless

(1) Player is placed on that club's Future or Active List prior to the trading deadline of the season in which he is waived. After trading deadline, club has ten (10) days to place waived player on Future List. Any player listed on the Future List of a club may play for a minor league club.

(2) Player is placed on the Active List of another club during the pre-season or regular season and subsequently waived by that club and becomes a free agent, or, player is traded to a club from which he has been waived. No player may return to the original playing club unless he has been active for at least one pre-season or regular season game.

(3) Player, in the one succeeding season is signed by a club from which he has not been waived previously and is then released. However, in no event in the succeeding season may a player be signed by a club from which he has been waived previously unless after the date of the player reduction to 49.

(4) Player is re-signed by the original club during the off-season following the initial season and player is immediately placed on waivers, such waivers to be recalled if player is not claimed but to be no-recall waivers if such player is claimed. Additionally, there shall be no withdrawal of claims made under this sub-section.

Reserve List

17.6 The Reserve List of each club may consist of a list of all players:

- (a) Retired while under contract to the club;
- (b) On the military service list of the club;
- (c) Selected in a Selection Meeting by the club, but never under contract to it;

(d) Suspended or declared ineligible, or expelled from the league for violation of the contract between the player and the club, or for other reasons permitted by this Constitution and By-Laws.

(e) A player on a club's Reserve List shall not be eligible to contract with any other club unless and until the player is released or his contract assigned as provided in this Constitution and By-Laws.

Reserve List Limitations

17.7 (A) Any player on the Active List of the club who reports to the club and is thereafter placed on the Reserve List by reasons other than Military Service, may not play with his club for the balance of that pre-season or regular season unless waivers have been asked on such player, which waivers may not be recalled; provided, however, that if such player becomes an Active Player with another club and such other club thereafter asks waivers on him, and he is either claimed, released on waivers or plays with another club in its league in that season, then the original club is entitled to restore such player to its Active List if it acquires him in a manner permitted by this Constitution and By-Laws or in those of the League. If another club acquires any player from the Reserve List of another club, such player cannot play for the acquiring club for the balance of that season unless the acquiring club waives such player without recall.

(B) Additional Reserve List Limitations: Whenever a player on the Active List, the Move List or the Future List is placed on the Reserve List as an injured player, the following provisions shall apply:

(1) The player may attend the team meetings.

(2) Subject to sub-paragraph (4) below, such player may not participate in practice with any other Active Player or Players on the club.

(3) He may undertake such physical reconditioning or rehabilitation work as prescribed by the club doctor or trainer with the understanding that such right to engage in such reconditioning and rehabilitation activities does not permit the player to practice or participate with any other Active Player or Players.

(4) Despite the foregoing, such player may practice without restriction during the last two weeks of the regular season.

(C) Whenever a player from the Future List of a club is placed on the Reserve List as injured within forty-eight (48) hours after such player clears waivers, such player may attend team meetings and practice with the club and perform all of the other duties of a player except that such player may not participate as an Active Player for that club or for any other club in the same or in any subsequent season unless such player is first placed on waiver without right of recall.

(D) Whenever a player from the Future List of a club is placed on the Reserve List as injured at any time after forty-eight

(48) hours shall have elapsed from the time such player cleared waivers, such player cannot play or practice with such club for the balance of that season; except that in the last two weeks of that season he may practice with the club. Such player, however, may play with that club in the succeeding season or seasons without having to be placed on waiver.

(E) Whenever a player is placed on the Reserve List of a club for any reason the club must promptly submit a written report to the Commissioner stating the reason for such action. Upon receipt of such information, the Commissioner shall investigate the circumstances thereof in such manner as he deems appropriate; the Commissioner shall have the right to request further explanation or substantiation of the matter, and the club shall supply the same. In the event the Commissioner determines that placing such player on the Reserve List violated the provisions of Section 17.8 of the Constitution and By-Laws, or was improper or contrary to the Constitution and By-Laws of the league, the Commissioner shall have the power to remove such player from the Reserve List and to take such other action against the club that he believes appropriate; additionally, when such determination is made by the Commissioner all expenses incurred by the Commissioner in any investigation thereof shall be charged against the involved club and such club shall be obligated to pay such expenses upon demand by the Commissioner.

Evasion

17.8 Evasion. No club shall place any player on its Reserve List in order to evade the player limit.

College All-Star Players

17.9 Any player injured while a member of a pre-season All-Star squad in connection with a game approved by the League may thereafter be carried without being counted as an Active Player for the determination of the applicable player limit, and without requiring the club to place such player on its Reserve List; such privilege shall continue until such player is able to play football. If such player, after being listed and counted as one of the Active Players within the applicable player limit, has a recurrence of the same injury, then such player may again be carried as a player of the club without being counted as an Active Player or being placed on the Reserve List until he again recovers from such re-injury.

Retired Players

17.10 A Retired Player is defined as a player who discontinues professional football play in the league while under contract or option to a club. A Retired Player shall not be eligible to play football in the League until he shall have been reinstated by the Commissioner

as provided in S17.14 hereof. Upon his reinstatement such player shall be eligible to play football only for the club entitled to his services at the time of his retirement, or its assignee.

Military Service List

17.11 Any player on the Active List for the first regular season game who is thereafter inducted into the armed forces of the United States shall automatically be placed on the Reserve List of his club and shall not count in the Active Player limit of said club nor be permitted to play or practice with the club until his reinstatement to the Active List, subject to the provisions of S17.14 hereof and S9.3 (D-4).

The following additional rules shall apply in respect to the military service of a player:

(a) No player who reports to his club after the commencement of training camp due to any reserve military obligations affecting such player, need be counted on the Active Player roster of the club until he receives one (1) day's practice for every day missed due to his military obligation, but not to exceed four (4) weeks; provided, however,

(i) If such player plays in one or more pre-season games, he must be counted on the Active List.

(b) No player reporting to his club after October 15th in any year need be counted on Active or Future List as an Active Player unless the club wishes to activate such player for a regular season game.

(c) Whenever a player reports to his team and thereafter is placed on military reserve to permit such player to fulfill the required two weeks of active military duty, such player shall be allowed one week following his return to the club before such player must be counted as an Active Player; however, if the club elects to play such player in any pre-season or regular season game, such player must be included on the Active List of such club.

(d) None of the privileges accorded under the provisions of this Section 17.11 shall apply to players having military service obligations of less than a period embracing fourteen (14) days.

(e) All clubs are obligated to notify the League Office within forty-eight (48) hours of the time when any of its players are released from Active military service and shall specify the date such player reported to the club. Failure of a club to comply with this provision will require the League Office to treat the date such player was released from the service as the date when such player reported to the club.

Suspended Players

17.12 A club or the Commissioner may suspend a player for violation of this Constitution and By-Laws or those of the league or for violation of his Standard Players contract or the rules and regulations of the league or the club. During the period of suspension, a player shall not be entitled to a salary, and shall be ineligible to play with any club. Any player suspended by a club shall have the right to appeal to the Commissioner, who shall have authority to order his reinstatement upon such terms as he deems proper.

Ineligible Players

17.13 Ineligible Players. The Commissioner may, on application of a club, or on his own motion, declare ineligible a player who violates his contract, is guilty of conduct detrimental to the best interests of professional football, or who violates this Constitution and By-Laws or the rules and regulations of his club. Any ineligible player shall not be entitled to play for any club in the league until he shall have been reinstated by the Commissioner.

Reinstatement of Players

17.14 Any retired, ineligible or suspended player or (subject to S17.11 hereof) any player on the Military Service List may make application to the Commissioner for reinstatement. The Commissioner shall promptly notify the player's club of such application and shall promulgate the granting or refusing of any such application. No Retired Player shall be reinstated during the last thirty (30) days of the season. Despite the foregoing language of the Section, a Suspended Player shall be counted on the Active List of the club unless such club either places the player on its Reserve List or waives the player.

Listing of Players

17.15 All players must be listed by the club on one of the following lists:

1. Active List
2. Move List
3. Future List
4. Reserve List

The total number of players on the Active, Move and Future Lists of a club cannot exceed a total of 47 players at any time.

Player Leaving Camp

17.16 If a player leaves the camp of his club during either the training season or the regular season without permission, the following provisions shall apply in respect to such player:

(A) If such player returns to his club within five (5) days from date of his departure then the club shall be limited to the exercise of one of the following alternatives:

(1) The club may restore such player to its Active List, provided it either has maintained or immediately provides a place on its Active List within the applicable player limit; or

(2) The club may waive or trade such player.

(B) If such player does not return to his club until five (5) or more days shall have elapsed from the date of his departure, and the club did not retain a place on its Active Roster for such player, then the club shall have the right to exercise any one of the following options:

(1) The club may place such player on its Reserve List as a Retired Player;

(2) The club may reduce its Active Roster to provide a place thereon for such player; or

(3) The club may waive such player or another player from its Active List; or

(4) The club may trade such player only if such player is first restored to its Active List.

(C) Any player placed on the Reserve List as a Retired Player under the circumstances described in Section 17.16 (B) (1) above, shall remain on the Reserve List of the club for the balance of that season; in such event the obligation of the player to perform services as a professional football player for the club in that season shall be tolled; the term of such player's contract to his club for the balance of that season shall be extended and shall not commence until the player returns to professional football for such club; additionally, any renewal option for such player's services shall be tolled and shall remain in effect until the end of such extended term of the contract. During any such retirement period, such player shall not be allowed to play football for any other club engaged in professional football; neither shall such player be entitled to any compensation, expenses or other payments from his club under his contract.

(D) Any player placed on the Reserve List as a Retired Player under the provisions described in Section 17.16 (B) (1) hereof shall not be entitled to reinstatement as an Active Player for the balance of the season in which such retirement occurs.

(E) He cannot practice for the season.

(F) Any violation or attempt to evade player limit is conduct detrimental to football.

ARTICLE XVIII W A I V E R S

When Required

18.1 (A) Clubs desiring to release players must first give written notice to the Commissioner of such intention. At 4:00 P.M., New York time during each day, exclusive of Sundays, the Commissioner shall notify each club of such waiver request and any club desiring the services of said player may claim him. Regardless of the time when the League receives a request for waiver, the Commissioner shall not give the notice thereof to the clubs until 4:00 P.M., New York time, on the same or succeeding day. Clubs may claim a player placed on waiver by notifying the Commissioner within the waiver period. The waiver period shall commence at 4:00 P.M., New York time, and expire at 4:00 P.M., New York time on the following day after July 31 and continuing throughout the playing season or at 4:00 P.M., New York time, two days thereafter during the training season prior to July 31; at any other time the waiver shall expire at 4:00 P.M., New York time on the 10th day following the commencement of the waiver period, except that if waivers are requested on either Friday or Saturday at any time during the year, such waivers shall not expire until 4:00 P.M., New York time, on the next Monday. All waiver notices released by the Commissioner during the training or regular season shall be sent by telegraph or teletype.

In the 1971 season, the Commissioner shall notify each club in both conferences simultaneously of each waiver request in the manner prescribed above. After the reduction in the player limit to 49, and for the remainder of the regular season, any club within the League may, upon request, secure from the Commissioner all available salary information on any player for whom waivers have been requested, which information shall be supplied prior to the time for the filing of any claim on such player.

Awarding of Players

18.1 (B) Whenever a club claims and is thereafter awarded a player, the following rules shall govern:

(1) Prior to Monday, 4:00 P.M., New York time, on the Monday prior to the first regular season game, the club to which the player is awarded must activate the player for at least one pre-season game or for seven days, whichever occurs first. If a player limit is applicable at the time of the award, and the club has a full complement of Active Players within such limit, then following the award of such player the club must either,

(a) Waive another player from its Active List with no right of recall, or

(b) Place another player from its Active List on its Reserve List, subject to all of the restrictions applicable to the Reserve List, or

(c) Trade another player on its Active List.

(2) If a club claims and is awarded a player at any time after Monday, 4:00 P.M., New York time, prior to the first regular season game and for the balance of the regular season, if the club at the time of such claim and award has a full complement of players under the applicable player limit, the club must either:

(a) Waive another player from its Active List with no right of recall, or

(b) Place another player from its Active List on its Reserve List subject to all restrictions applicable to the Reserve List, or

(c) Trade another player from its Active List, or

(d) If the award occurs after 4:00 P.M., New York time, on the Thursday preceding the first regular season game, place another player from its Active List on its Move List.

The exercise by the club of any of the foregoing alternatives must be taken within one hour following notification of the award of such player.

Recall of Waiver

18.2 (A) Subject to other provisions of this Constitution and By-Laws restricting the right of recall under various circumstances including the provisions of the succeeding sub-paragraphs in this Section 18.2, a club which has requested waivers may recall the request by notifying the Commissioner of such recall by telegraph or TWX within twenty-four (24) hours after the expiration of the claiming period.

(B) When a member club asks waivers on an active player or players and said waivers are asked prior to a league game and do not expire until after or the day of said league game and the member club which asks the waivers has the limit of Active Players under contract for said league game, waivers may not be recalled.

(C) After the first reduction in the player limit during the pre-season (but excluding any reduction in the player limit from 44 to 40 players) and thereafter during the regular season, whenever a club has a full complement of players on its Active List after placing a player or players on waiver, the club requesting such waiver may not recall the waiver except by either:

(1) Recalling the player placed on waiver and simultaneously trading such player to another club;

(2) Placing another active player on the Reserve List prior to the recall of the waiver;

(3) Trading another player on its Active List prior to the recall of the waiver;

(4) Waiving another player on its Active List which waiver cannot be recalled, or

(5) If the player is recalled after 4:00 P.M., New York time, on the Thursday preceding the first League game, transferring another player on its Active List to its Move List.

(6) Recalling the player placed on waiver and simultaneously placing the same player on its Move List.

(D) Waivers may not be recalled on the same player more than once in any one year by the same club.

(E) Whenever the Commissioner notifies a club that a player placed on waiver has been claimed, the Commissioner shall do so by telegram or teletype.

(F) If such occurs during the non-playing season, whenever a club places a player on waiver, the waiving club within twenty-four (24) hours after the time for claiming has expired, upon notice to the Commissioner, may recall the waiver request and place the player on its Active List or on its Reserve List.

Players Waived While Injured

18.3 Whenever a player has been placed on waiver and is not claimed by another club, such player shall then become a free agent; provided, however, that if at the time a player is placed on waiver, the waiving club reports such player as injured and no other club claims such player, such injured player remains under contract to the waiving club until the expiration of such contract or until its termination by the club in accordance with the provisions thereof. Any player waived out as an injured player and not claimed by another club need not be counted as an active player by the waiving club until he is again placed on the Active List of the waiving club; an injured player so waived out and not claimed cannot be activated by the waiving club for a period of sixteen (16) days, but in any event not less than two (2) pre-season or regular season games of such club.

Multiple Claims

18.4 If three or more league games have been played by all clubs in the league, and two or more clubs in the same conference claim a player's contract after a waiver, the contract shall be awarded to the club whose standing in the league race at that time is the lowest. If three league games have not been played and two or more clubs in the same conference claim a player's contract after a waiver, the contract shall be awarded to the club which finished lowest in the conference standings in the preceding season. In case of a tie in the standing, the Commissioner will award the contract by lot. In all

cases involving multiple claims between or among teams of different conferences, the team or teams in the same conference as that of the waiving team shall have priority.

Waiver Price

18.5 The price of a player claimed on waiver shall be \$100.00. The claiming club shall, within 24 hours of notification by the Commissioner that the player's contract has been awarded to it, forward to the waiving club its check for the waiver price, and an assignment of the player's contract shall be executed promptly by the two clubs.

Waiver Request

18.6 If the request for waivers occurs either during the training season or the regular season, the waiver request must be by telegraph or teletype. During the non-playing season, a waiver request may be by mail and the time stamped upon receipt of any such mailing by the Commissioner shall determine the date of the request. Despite the fact that a telegram be delayed, misdirected or lost by the telegraph company, the time of delivery to the Commissioner thereof shall fix the date of request. Clubs shall have the right to telephone the Commissioner's office and give oral notice that a written or telegraphic request for waiver had been given; in such event the time of the telephone call shall fix the date for the giving of notice of a waiver.

Salary of Claimed Player

18.7 Each player under contract to a club must be paid a full game salary by such club unless a request for waivers on such player is sent by such club and received by the League office prior to 4:00 P.M., New York time on the Tuesday prior to the first League game and/or before 4:00 P.M., New York time on the Tuesday following the playing of a League game; if any other club claims such player and such player is thereafter awarded to such claiming club, such claiming club shall assume the player contract and be responsible for the balance of the salary of such player as prescribed therein; provided, however, that whenever the contract of such player provides that a portion of the salary is deferred, then the claiming club shall assume and be responsible for only that portion of the deferred salary that has not already accrued to such player; in the event the contract on such player provides for the payment of any bonus on a deferred basis, the claiming club shall not be liable for the payment of any portion thereof, but such obligation for payment shall remain with the waiving club.

Restoration of Waived Player

18.8 If after being waived out, a player becomes an Active Player with another club in the League in the same season and such player remains with such other club as an Active Player for not less than two pre-season or regular season games and is paid a salary by such other club while playing for it, and thereafter such player is placed on or released through waiver, such player may be signed and restored to an active status by any club in the League, subject to the provisions of Section 17.5 and this entire Article XVIII, including the club originally requesting the waiver on such player. In no event shall the player have the right to play again for the original waiving club unless a period of sixteen (16) days, but in no event, less than two (2) pre-season or regular season games of the club shall have elapsed since the player was waived by the original club; provided, however, any player who was waived by a club during the reduction of the player limit from 49 to 40 may be reactivated at any time by the waiving club.

Notification

18.9 If a player has an active contract and reports and then leaves the Club, such fact must be reported to the League office within 48 hours after such player has left the club. If not reported, the Commissioner, after verifying such fact, shall request waivers on said player; such request for waivers may not be recalled. This provision shall not be applicable to any player inducted into the military service.

Notice of Expiration of Option

18.10 No club shall permit any option on the services of a player to expire without exercising such option prior to the expiration date thereof unless such club, at least 30 days prior to the date of the expiration of said option, places such player on waiver in the manner prescribed in this Article XVIII and notifies the Commissioner of its intention not to exercise such option.

ARTICLE XIX CONDUCT OF LEAGUE GAMES

Game Receipts and Guarantee

19.1 (A) The home club shall guarantee the visiting club a minimum of \$30,000 for each League game with an option to the visiting club to receive 40% of the gross receipts after the following deductions:

(a) All Federal, State and Municipal taxes assessed on the sale of tickets.

(b) A sum equal to fifteen (15%) percent of the gross receipts after deducting the taxes set out in (a) above.

(c) "Gross Receipts", as used in this Section, shall mean all receipts derived from the sale of tickets, including service charges. Receipts of the Home Club from the sale of season tickets shall be included in the gross receipts from each game equally in proportion to the number of regular season games scheduled by the Club after the adjustment of any pre-season game moneys included in the cost of the season ticket.

(B) Final settlement shall be made no later than the Tuesday following each regular season game, and each pre-season game in which a third entity does not participate.

(C) There shall be no charge imposed or percentage claimed against gate receipts of regular season games for or by the League office.

Conduct of Game

19.2 Each club shall play all of its League games at the time and places provided for in the official schedule of the League. There shall be no postponement of League games unless said game cannot be played because of an Act of God or because of a State, Federal or local prohibition. Neither the starting time of a League game nor the locale of the game shall be changed in any manner after the adoption of the schedule and the publication thereof, except with the written consent of both clubs and the prior approval of the Commissioner.

19.6 All players of a team shall be uniformly and neatly attired for all games; all players on the same team must wear the same color jersey, head guards and stockings, except that a club, at its option, may permit all eligible pass receivers to wear a different color head gear than the rest of the team. If a different color is worn by any eligible pass receiver of a club, all of the eligible receivers must wear the same color. Players must wear stockings in all games. The Commissioner must approve in advance any changes in the colors of the clubs. Every player appearing on the field during the game or in any pre-game workout preceding the game must wear his complete game outfit exclusive of pads and helmet.

Player Identification

19.7 Players must wear on the back and front of their jerseys, identification numbers that shall be at least eight (8) inches long and four (4) inches wide. Names of players shall be placed on uniforms directly above the numbers on the back in a size lettering no less than two and one-half (2½) inches. The name and number of each player of the visiting team must be furnished to the home team by the visiting club at least six (6) days prior to the scheduled game with the visiting team. Any change in the numbering of a player shall be forthwith communicated to the opposing club.

Choice of Game Uniforms

19.8 (A) Subject to the provisions of sub-section (B) hereof, for 1971 only, and at the option of the home club, the visiting team in all League games shall wear the colors awarded to such team under Section 19.9 of this Article, and the home team shall wear white. In the event that the colors of the visiting team conflict with the white worn by the home team, the visiting team shall wear other colors approved by the Commissioner. The provisions of this Section shall also apply to the Divisional Playoff Games, Conference Championship Games, and to the World Championship Game.

(B) Provided written approval is obtained from the applicable television network of the home club prior to September 1st in any year, then neither club in any League game shall be required to wear white jerseys, but shall be permitted to wear the colors awarded to their respective clubs. The same provisions shall likewise apply to the Divisional Playoff Games, Conference Championship Games, and to the World Championship Game, provided such permission is received from the applicable television network before 5:00 P.M., New York time on the Tuesday preceding the playing of such game.

Conflicting Club Colors

(B) The home club shall have the option of deciding whether the visiting club shall wear white jerseys or shall wear the colors awarded to the visiting team in any League game, regular or pre-season. The home club is obligated to give written notice to the visiting club and to the Commissioner, of its decision on the colors

of the jerseys to be worn by the visiting club, which notification must be given by July 1st of the year in which the game is scheduled to be played. If either participating club fails to conform to the jersey colors designated for such game, then there shall be an automatic fine against the offending club of \$5,000, which sum shall be payable to the League office. Despite the foregoing, in the event that the colors of the participating teams as so designated are in conflict for a League game, regular or pre-season, the Commissioner shall have the right to designate the colors to be used by the competing teams in such game.

(C) Anything in sub-paragraph (B) of this Section 19.9 to the contrary notwithstanding, if any game, including the World Championship Game, is played in a city other than in city of the competing clubs, then the colors awarded to such teams by the League may be worn by the competing teams unless such colors are, in the opinion of the Commissioner, conflicting; in such event, if competing teams are unable to agree upon the colors to be worn by each team in such game, the Commissioner shall have the right to designate the colors to be used by the competing teams in such game.

(D) No club shall have the right to make changes in its club colors and/or in the designs of its team helmets or uniforms except in accordance with the following provisions:

ARTICLE XX DIVISIONAL PLAYOFF GAMES

Selection of Teams

20.1 (A) Each year at the conclusion of the League schedule, the League will have a system of divisional playoff games to determine the participants in the Conference Championship games. Four teams from each Conference shall enter the playoffs, and these shall be:

(1) The three division champions, as determined by their won-lost percentages during the League season. Tie games shall not be considered in calculating percentages.

(2) The team among the remaining teams after the three division champions have been determined, which has the best won-lost percentage in League play. Tie games shall not be considered in calculating percentages, nor shall a team be accorded special consideration if it tied for its division championship but did not enter the playoffs pursuant to the provisions of Sec. 20.1(B).

(B) In the event that two or more teams tie for the championship in their division, there will not be a special playoff to determine the champion. A division champion will be selected by applying, in the order given, the following tie-breaking procedures until a winner is established:

(1) The club with the best won-lost percentage in those games played between or among the involved clubs;

(2) The club with the best won-lost percentage in intra-division games;

(3) The club with the best won-lost percentage in intra-conference games;

(4) The club with the best point differential in those games played between or among the involved clubs;

(5) The club with the best Point Rating, as determined under the method outlined in Sec. 20.1 (D), when it is applied only to all intra-division games played within the division;

(6) The club with the best Point Rating, as determined under the method outlined in Sec. 20.1 (D), when it is applied to all teams and games played in the League's regular season schedule.

(7) A coin flip between or among the involved clubs.

(C) In the event that two or more teams are tied in determining the fourth team to enter the playoffs, the first step in breaking such tie shall be to apply the procedures of Sec. 20.1 (B) any time that two or more of the teams are from the same division, so that no more than one team from any division will remain in contention. If a tie still exists, the following tie-breaking procedures will be applied, in the order given, until a winner is established:

(1) The club with the best won-lost percentage in those games played between or among the involved clubs; providing, however, that this clause shall not be applicable unless each of the involved teams has played at least one of the other involved teams;

(2) The club with the best won-lost percentage in intra-conference games;

(3) The club with the best point differential in those games played between or among the involved clubs; providing, however, that this clause shall not be applicable unless each of the involved teams has played at least one of the other involved teams;

(4) The club with the best Point Rating, as determined under the method outlined in Sec. 20.1 (D), when it is applied only to all intra-conference games played within the conference;

(5) The club with the best Point Rating, as determined under the method outlined in Sec. 20.1 (D), when it is applied to all teams and games played in the League's regular season schedule;

(6) A coin flip between or among the involved clubs.

(D) The Point Rating referred to in Sections 20.1 (B) and (C) shall be determined by rating each club on the basis of points scored and on the basis of points allowed, in the applicable games, against all other clubs from the same division, conference or entire league, whichever is applicable. The club scoring the most points, or yielding the fewest, will be rated "1", the next best will be rated "2", etc. The offensive and defensive ratings shall be combined to give each team its Point Rating, and the team with the lowest number of points under the rating system shall be the winner.

The point rating shall be applied as follows:

(1) In intra-division play, all teams from other divisions and all games played against such teams will be excluded;

(2) In intra-conference play, all teams from the other conference and all games played against such teams will be excluded.

(E) In the case of ties involving more than two teams, whenever a team is eliminated from consideration by any of the prescribed procedures, all tie-breaking procedures are again applied, in order, to the teams remaining in contention.

Pairing of Teams
